

# APPENDIX 4 – FEES AND PAYMENT TERMS

*(The Swedish version of this appendix shall prevail)*

## 1 FEES

VAT will be added to all fees and payment shall be made on receipt of an invoice in accordance with the payment terms and conditions stated on the invoice.

### 1.1 Application fee

The Registrar must pay an application fee to The Swedish Internet Foundation in the amount of SEK 10,000 at the time of application.

### 1.2 Administration fee

The Registrar must pay an annual administration fee of SEK 5,000.

### 1.3 Registration fees

Upon new registration, the Registrar must pay a registration fee and a period-based domain fee per registered Domain Name.

The registration fee is 40 SEK and the domain fee is 11,25 SEK per month. The registration period is between 12 and 120 months.

The minimum registration fee, including a 12 months registration period before any discounts, is 175 SEK.

The fee is invoiced by The Swedish Internet Foundation on the first day of the month following the time of registration.

### 1.4 Registration discounts

If, at the time of a new registration, the domain holder's information is validated in accordance with The Swedish Internet Foundation's guidelines regarding e-identification validation, the Registrar is entitled to a 25 SEK discount for the new domain registration.

If, at the time of a new registration, the Registrar has activated DNSSEC on over 70% of all their Domain Names (registered on the Registrar's registrar account), the Registrar is entitled to a 25 SEK discount for the new domain registration.

If, at the time of a new registration, the Registrar has had a renewal rate equal

to 82% or higher for all their Domain Names (registered on the Registrar's registrar account), over a period of one year (365 days) before the new domain registration, the Registrar is entitled to a 25 SEK discount for the new registration.

If, at the time of a new registration, the same domain name under the top-level domain for .se or .nu, respectively, is already registered on the Registrar's registrar account, the Registrar is entitled to a 60 SEK discount for the new registration. Example: "domainname.nu" is subject to new registration, and "domainname.se" is already registered on the Registrar's registrar account.

#### 1.5 Renewal fees

The Registrar must pay a period-based domain fee per registered Domain Name when renewing the Domain Name.

The domain fee is 11,25 SEK per month. The renewal period is between 12 and 120 months.

The lowest fee charged is for a renewal period of 12 months (135 SEK), and the highest fee is for 120 months (1,350 SEK).

The fee is invoiced by The Swedish Internet Foundation on the first day of the month following the renewal.

#### 1.6 Other costs and fees

If the Registrar has been suspended from new registration, according to clause 18.2 of the main agreement, The Swedish Internet Foundation has the right to charge an administrative fee of 5,000 SEK. The fee must be paid to The Swedish Internet Foundation before the Registrar is permitted to register new Domain Names.

Other fees for administrative services performed by The Swedish Internet Foundation, at the Registrar's request, are available at any time on The Swedish Internet Foundation's website for Registrars.
