Is it possible to indicate the “year” unit using 1, 2, 3, et cetera; e.g. `<domain:period unit="y">1</domain:period>`?

Agent - 2022-08-11 - Renewal of domains

Yes, it is possible to indicate the “year” unit using 1, 2, 3, 4, 5, 6, 7, 8, 9 or 10; for example:

`<domain:period unit="y">1</domain:period>`?
