How do we reach your EPP servers?

A.A - 2024-11-21 - EPP server

- The .se production server can be reached at epp.iis.se.
- The .nu production server can be reached at epp.iis.nu.
- The test server can be reached at epptest.iis.se. Kindly note: *domains in the test environment must end with .test like this: domain.test*
