## What formats are expected for submitted registrant information?

Registry Services - 2025-04-02 - Miscellaneous tech

### Organization number

Below are examples of different countries' organization number formats. This list may be updated over time.

Country	Organization number	Personal identity number	Note
Denmark	8 digits "NNNNNNNN"	"DDMMYY-NNNN"	
Norway	9 digits "NNNNNNNNN"	12 digits "DDMMYY-NNCC"	
Finland	9 digits "NNNNNNN-N"	11 digits "DDMMYY-NNNC" or "DDMMYYANNNC"	
Switzerland	CHE + 9 digits "CHENNNNNNNNN" "CHE-NNN.NNN.NNN"		Every Swiss company has a business identification number. This UID can be requested online. The number always consists of the prefix "CHE" and a 9-digit number containing a control number. For example, "CHE987654321" or "CHE-112.007.423".
France	9 digits (Siren) or 14 digits (Siret) "NNNNNNNNN", "NNNNNNNNNNNNNNN"		<a href="https://www.societe.com/cgi-bin/recherche">https://www.societe.com/cgi-bin/recherche</a>
Netherlands	8 digits "NNNNNNNN"		KVK number <a href="https://www.kvk.nl/en/starting/kvk-number-all-you-need-to-know/">https://www.kvk.nl/en/starting/kvk-number-all-you-need-to-know/</a>
Italy	11 digits "NNNNNNNNNNN"		The codice fiscale for entities (business, foundations, etc.) is a random number assigned by the Italian Tax Office. <a href="https://italianbusinessregister.it/en/home">https://italianbusinessregister.it/en/home</a>
Poland	10 digits "NNNNNNNNNN"		KRS number <a href="https://www.ifirma.pl/blog/nip-z-prefiksem-pl-kiedy-go-uzywac.html">https://www.ifirma.pl/blog/nip-z-prefiksem-pl-kiedy-go-uzywac.html</a> <a href="https://wyzukiwarkaregon.stat.gov.pl/appBIR/index.aspx">https://wyzukiwarkaregon.stat.gov.pl/appBIR/index.aspx</a>
Czechia	8 digits "NNNNNNNN"		ICO number <a href="https://www.czso.cz/csu/res/business_register">https://www.czso.cz/csu/res/business_register</a> <a href="https://apl.czso.cz/res/search">https://apl.czso.cz/res/search</a>
Lithuania	9 digits "NNNNNNNNN"		
Australia	9 digits (ACN) or 11 digits (ABN) "NNNNNNNNN" "NNNNNNNNNNN"		<a href="https://asic.gov.au/for-business/registering-a-company/steps-to-register-a-company/australian-company-numbers/">https://asic.gov.au/for-business/registering-a-company/steps-to-register-a-company/australian-company-numbers/</a>
UK	8 digits "NNNNNNNN" or "LLNNNNNN"		CRN A typical CRN consists of eight digits (numbers) or, in some cases, two letters followed by six digits. <a href="https://www.gov.uk/government/organisations/hm-revenue-customs">https://www.gov.uk/government/organisations/hm-revenue-customs</a> <a href="https://www.hmrc.gov.uk/gds/com/attachments/coy_reg_no_formats.doc">https://www.hmrc.gov.uk/gds/com/attachments/coy_reg_no_formats.doc</a>
